

## FOLDING PASTE TABLES

Top and frame made of clear basswood securely glued and stapled together. Hardwood legs, reinforced with steel brace spreaders which fold easily when not in use. Equipped with straightedge rests. Straightedge and tools can be stored inside. 33 in. high, 5/8 in. thickness of table top. Equipped with carrying handle. (Tools Not Included)

### 12 in. closed, 24 in. open

<b>30-6</b>	6 ft. Table	
<b>30Z-6</b>	6 ft. Table	w/ alum. plate
<b>30Z-7</b>	7 ft. Table	w/ alum. plate

### 16 in. closed, 32 in. open

<b>35Z-5</b>	5 ft. Table	w/ alum. plate
<b>36-6</b>	6 ft. Table	
<b>36Z-6</b>	6 ft. Table	w/ alum. plate
<b>37Z-7</b>	7 ft. Table	w/ alum. plate

## NON-SKID TRESTLES

Made of hard maple, height adjustable from 30 to 35 in. Equipped with straightedge rests. All metal parts bright zinc plated and rubber tipped legs. Top rail has corrugated rubber strip morticed into wood to keep boards from slipping.

<b>15NS</b>	Trestles, non-skid 36 in. top
<b>15NS40</b>	Trestles, non-skid 40 in. top

## PASTE BOARDS

Made of clear basswood which, over the years, has proved to be the finest wood for this purpose. All have tongue and groove batten ends, doweled connections.

**Doweled - (3) 11 in. boards per set = 33 in. wide.**

<b>12-3-5</b>	1/2 in. x 5 ft. set
<b>12-3-6</b>	1/2 in. x 6 ft. set
<b>58-3-5</b>	5/8 in. x 5 ft. set
<b>58-3-6</b>	5/8 in. x 6 ft. set
<b>58-3-7</b>	5/8 in. x 7 ft. set
<b>34-3-5</b>	3/4 in. x 5 ft. set
<b>34-3-6</b>	3/4 in. x 6 ft. set
<b>34-3-7</b>	3/4 in. x 7 ft. set

**Doweled - (4) 10 in. boards per set = 40 in. wide.**

<b>34-4-6</b>	3/4 in. x 6 ft. set
---------------	---------------------

## PAPERHANGING OUTFITS

Professional paperhanging package consists of:

3/4 in. Paste Boards (3 each)

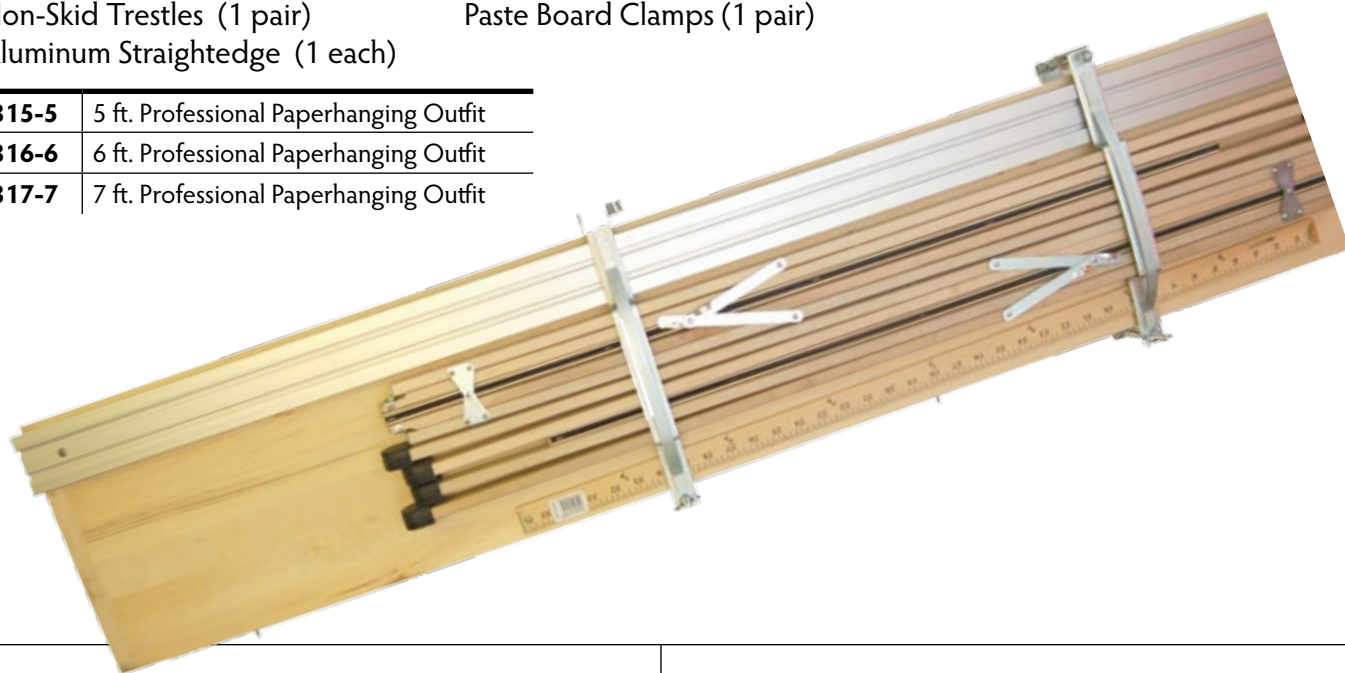

Non-Skid Trestles (1 pair)

Aluminum Straightedge (1 each)

Wood Yardstick (1 each)

Paste Board Clamps (1 pair)

<b>315-5</b>	5 ft. Professional Paperhanging Outfit
<b>316-6</b>	6 ft. Professional Paperhanging Outfit
<b>317-7</b>	7 ft. Professional Paperhanging Outfit

## PASTE BOARD CLAMP

Bright plated steel, designed to hold 3 paste boards, straightedge, trestles, and yardstick.

<b>124</b>	Paste Board Clamp, adjustable, pair
------------	-------------------------------------

## ALUMINUM PLATES

Designed extra heavy, comparable to zinc.

<b>ZP-6</b>	Alum. Plate	3 in. x 6 ft.	1/16 in. thick
<b>ZP-7</b>	Alum. Plate	3 in. x 7 ft.	1/16 in. thick

## STRAIGHTEDGES

Always true, accurate, and will not warp. Use with razor blade or razor knife for trimming vinyl and fabric backed wallcoverings.

### Aluminum

<b>300-3</b>	3 ft. with track
<b>300-4</b>	4 ft. with track
<b>300-5</b>	5 ft. with track
<b>300-6</b>	6 ft. with track
<b>300-7</b>	7 ft. with track
<b>300-8</b>	8 ft. with track

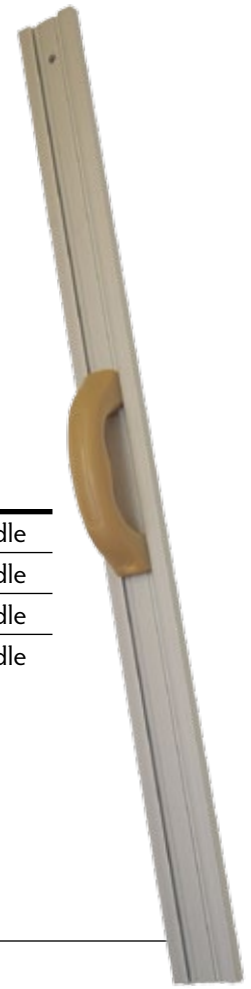

### Magnesium

<b>500-6</b>	6 ft. with track
<b>500-7</b>	7 ft. with track
<b>500-8</b>	8 ft. with track

### Aluminum with handle

The easy grip plastic handle makes this aluminum straight-edge ideal for double cutting material on the wall.

<b>300-3H</b>	3 ft. with float type handle
<b>300-4H</b>	4 ft. with float type handle
<b>300-5H</b>	5 ft. with float type handle
<b>300-6H</b>	6 ft. with float type handle

## YARDSTICKS

### Aluminum

Constructed of flexible, straight and parallel aluminum, 1-1/8 in. wide. Distinct numbers in 8ths and 16ths, read from either side.

<b>Y36</b>	3 ft. aluminum
------------	----------------

### Wood

<b>R620B</b>	3 ft. wood	1 1/2 in. wide, 1/4 in. thick, Metal end hanger
--------------	------------	---

### Straightedge Rules

Edges are smooth, square, straight and 2 in. wide. Distinct calibrations in 8ths on one edge and 16ths on other edge.

<b>SE36</b>	3 ft. Straightedge Rule	flat aluminum
<b>SE48</b>	4 ft. Straightedge Rule	flat aluminum
<b>SE60</b>	5 ft. Straightedge Rule	flat aluminum

**SHEARS**

11 in. Stainless Steel shears w/plastic handle. (imported)

**108S/11** | Shears

**SEAM BUSTER**

Double cutting wallpaper knife for vinyl and fabric wallcovering. Does not cut into drywall. Uses double edged blade.

**51101** | Seam Buster

**DOUBLE EDGE BLADES**

Double edge razor blades, hardened super-sharp, long lasting. Made in Germany. Fits Seam Buster.

**51102** | Per 200

**VINYL TRIMMER**

Made of cast aluminum for professional use on vinyl material. Uses standard single edge blade and will give a virtually invisible seam.

**V30/30** | Vinyl Trimmer

**RAZOR KNIFE**

Sturdy wood handle, uses standard single edge razor blades. (imported)

**69-B** | Razor Knife

**STAINLESS VINYL SMOOTHER & TRIMMER**

Hardened stainless steel, comfortable grip.

**51108** | 11½ inches wide

**PASTE SYRINGE**

Used to inject paste into loose spots and bubbles.

<b>20743</b>	1 ounce capacity
--------------	------------------

**SMOOTHING BRUSH**

Wood handle, with 100% tapered black DuPont Tynex Nylon, fastened with stainless steel strip. 12 inches wide.

<b>20693</b>	1 7/8 in. by 12 in. Dupont Tynex Nylon
<b>20694</b>	1 1/2 in. by 12 in. Dupont Tynex Nylon

**PASTE BRUSH**

100% Tapered Nylon. Flat trim, clear hardwood handle.

<b>9250</b>	6 in. x 3 1/2 in. nylon
-------------	-------------------------

**SEAM ROLLERS**

**Plastic Roller**

<b>693</b>	1 1/2 in. flat
<b>694</b>	2 in. flat
<b>695</b>	2 in. oval

**Stainless Steel Roller**

Heavy duty hardwood handle with steel, plastic, or rubber roller mounted with heavy nickel plated frame.

<b>684</b>	Nylon bearing	2 in. flat
<b>685</b>	Nylon bearing	1 1/2 in. flat
<b>686</b>	Nylon bearing	1 1/2 in. side arm

**Rubber Roller**

<b>794</b>	Vinyl covered	2 in. flat
------------	---------------	------------

**Plastic Corner Roller**

<b>93B</b>	1 in. bevel	side arm
------------	-------------	----------

## ADVANCE PASTE•MATE PASTING MACHINES

# B562-HD

(Booking table and transportation shelf not included.)

### 62 in. & 40 in. Heavy Duty Paste Machines

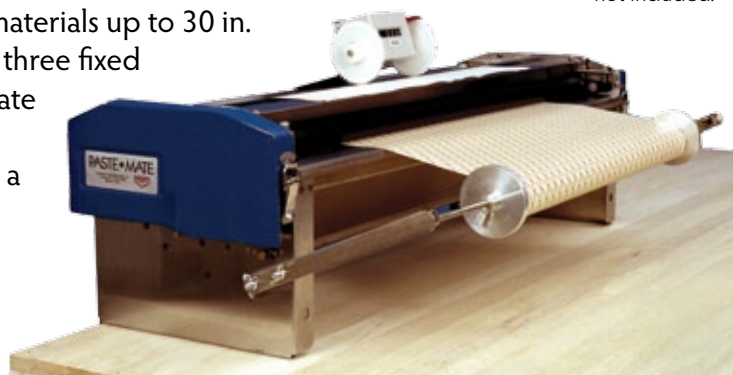

Manual, gear driven pasting machine for heavier materials up to 62 inches wide. Stainless steel tank with two removable and three fixed rollers. Paste roller is hard coat anodized for ultimate protection. Rolling Stand, adjustable in height, has 4 in. industrial locking casters. Legs fold under machine for easy transport. Has a drain plug for quick clean-up. Also, has measuring counter complete with stainless steel bracket and 2 gear wheels.

<b>50621</b>	<b>B562-HD</b>	62 in. Paste Machine complete with rolling stand and counter #51114.
<b>50401</b>	<b>B540-HD</b>	40 in. Paste Machine complete with rolling stand and counter #51114.

### 30 in. Heavy Duty Table Top (shown with measuring counter)

Manual, gear driven Pasting Machine for heavier materials up to 30 in. wide. Stainless steel tank with two removable and three fixed rollers. Paste roller is hard coat anodized for ultimate protection. Also, has measuring counter complete with stainless steel bracket and 2 gear wheels. Has a drain plug for quick clean-up.

Rolling stand not included.

<b>50300</b>	30 in. Paste Machine
<b>50301</b>	30 in. Paste Machine w/Counter #51114

(Shown with measuring counter.)

### 56 in. Pull Box

Economical model pasting machine with simple operation and leak-free design. Uniform paste distribution can be easily adjusted for more or less paste in center of wallcovering. Applies clay or clear adhesives, and has a drain plug for quick clean-up. Attaches easily to any paste table. Table top model. (Table not included with machine.)

<b>51561</b>	56 in. Pull Box w/Counter #51126 (single wheel)
--------------	---

### 30 in. Qwikpaster

30 in. table top pasting machine. Precision turned, anodized aluminum paste roller sits in stainless steel tank which holds 1½ gallons of paste and has plastic drain plug for easy clean up. Knife guide slot on stainless steel lid for exact cuts. Regulating knobs allow fine adjustment of paste application. For clear adhesives or prepasted activator ONLY!

(Will not handle clay.)

<b>51130</b>	30 in. Qwikpaster
<b>51131</b>	30 in. Qwikpaster w/Counter

## PASTING MACHINE ACCESSORIES

Fiberboard core with ¼" top-coated Melamine panel. For storage of 30, 56, or 62 inch machines (specify size). Stores Pasting Machine, rolling stand, and booking table.

### A Storage Cases

<b>51308</b>	30 in. Storage Case, Quikpaster
<b>51338</b>	30 in. Storage Case
<b>51408</b>	40 in. Storage Case
<b>51628</b>	62 in. Storage Case

### B Booking Tables

<b>530BT</b>	30 in. Booking Table
<b>540BT</b>	40 in. Booking Table
<b>556BT</b>	56 in. Booking Table
<b>562BT</b>	62 in. Booking Table

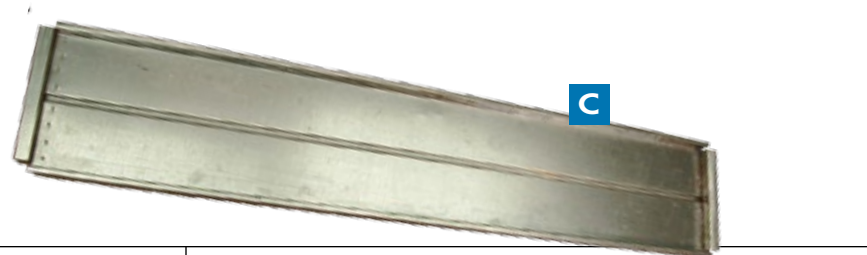

### Rolling Stands (See B562-HD facing page)

<b>530RS</b>	30 in. Rolling Stand only
<b>540RS</b>	40 in. Rolling Stand only
<b>556RS</b>	56 in. Rolling Stand only
<b>562RS</b>	62 in. Rolling Stand only

### C Transportation Shelves

<b>530TS</b>	30 in. Transportation Shelf
<b>540TS</b>	40 in. Transportation Shelf
<b>556TS</b>	56 in. Transportation Shelf
<b>562TS</b>	62 in. Transportation Shelf

## MEASURING COUNTERS

### Heavy Duty

<b>51114</b>	Two gear wheels and stainless steel bracket, for Paste•Mate machines #50621 and #50300
--------------	--

### Quikpaster

<b>51125</b>	Single wheel and Quikpaster bracket for #51130
--------------	--

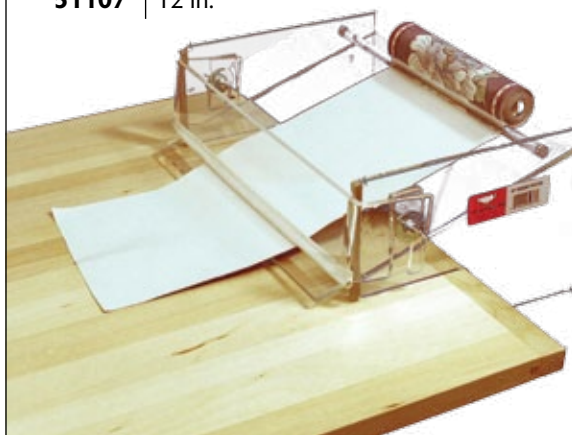

### Pull Box

<b>51126</b>	Single wheel and Pull Box bracket for #51560
--------------	--

## BORDER PASTER

The professional's choice. Use with up to 12 in. wide borders and heavier adhesives. Eliminates the curling of tightly wrapped rolls. Simple design easy to clean, no maintenance needed.

<b>51107</b>	12 in.
--------------	--------

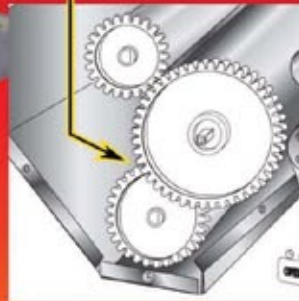

**Time or Money... PASTE·MATE saves you both!**

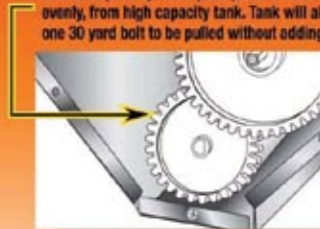

*Pasting Machines for the Professional*

Gear driven rollers provide consistent, even distribution of paste roll after roll.

Exclusive pick-up roller pulls paste efficiently, evenly, from high capacity tank. Tank will allow one 30 yard bolt to be pulled without adding paste.

Stainless steel paste adjustment roller allows better control over the amount and flow of paste which prevents adhesive from touching or staining the face of the wall covering.

**Pasting Machine - #50621**

For Heavy-duty Materials Up To 62 Inch Wide.

- Chromed rolling stand, adjustable in height with 4 inch industrial casters.
- Deep Stainless Steel Tank with 2 removable & three fixed rollers.
- It can be used for vinyl, grasscloth, string, burlap, suede, etc.
- Stand with material supports folds under tank for fast set-up.
- Paste machine models, 50401 and 50621, come with rolling stand and measuring counter.
- Paste machine model 50301 is a table top model only and comes with measuring counter. Does not come with rolling stand.
- Booking table and transportation shelf sold separately.
- CAT #50301 30" machine 50 lbs.  
CAT #50401 40" machine 100 lbs.  
CAT #50621 62" machine 150 lbs
